# Theoretical Training

Period	Country	Client	Task
2018	Saudi Arabia	TÜV Rheinland Saudi Arabia Competency Development for SEC (Saudi Electricity Company)	1 report "Competency development for SEC"
2018	India	Gesellschaft für internationale Zusammenarbeit (GIZ)	1 training course "Flexpert – Flexible operation of coal fired power plants" for trainers from different Indian power plants
2018	India	Gesellschaft für internationale Zusammenarbeit (GIZ)	1 report "Required training for flexible operation of coal fired power plants"
2018	Egypt	Siemens AG Energy Solutions	1 training course "Water steam cycle" for operators of Burullus power plant
2018	Egypt	Siemens AG Energy Solutions	1 training course "Steam turbine" for operators of Burullus power plant
2018	Egypt	Siemens AG Energy Solutions	1 training course "HPO and laboratory training" for maintenance managers of Burullus power plant
2018	United Kingdom	Siemens AG Energy Solutions	1 training course "CCPP fundamental operator training" for operators of Kings Lynn power plant
2018	Russia	Siemens AG Energy Solutions	1 training course "Gas turbine, electrical and instrumentation & control" for operators of Grosny power plant
2018	Sudan	Siemens AG Energy Solutions	1 training course "Gas turbine, electrical and instrumentation & control" for operators of Garri power plant
2018	Turkey	Siemens AG Energy Solutions	1 training course "Steam turbine, electrical and instrumentation & control" for operators of Soma power plant

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2018– 2014	Switzerland	Kernkraftwerk Gösken-Däniken AG	10 training courses "Basics of PWR"
2018– 1998	Austria	Several power plants	Several training courses for power plant operators performed in cooperation with the Austrian training institute of the paper mill industry
2017	Saudi Arabia	Siemens AG Energy Solutions	1 training course "Steam turbine, electrical and instrumentation & control" for operators of Jazan power plant
2017	Egypt	Siemens AG Energy Solutions	8 training courses "Water steam cycle" for operators and maintenance personnel of Beni Suef, Burullus New Capital power plants
2017	Egypt	Siemens AG Energy Solutions	8 training courses "Gas turbine" for operators and maintenance personnel of Beni Suef, Burullus New Capital power plants
2017	Egypt	Siemens AG Energy Solutions	4 training courses "Electrical and instrumentation & control" for operators and maintenance personnel of Beni Suef, Burullus New Capital power plants
2017	Egypt	Siemens AG Energy Solutions	7 training courses "Steam turbine" for operators and maintenance personnel of Beni Suef, Burullus New Capital power plants
2017	Nigeria	Siemens AG Energy Solutions	2 training courses "Gas turbine, electrical and instrumentation & control" for operators of Azura Edo power plant
2017	China	Siemens AG Energy Solutions	1 training course "Gas turbine and operator training" for operators of Shijiazhuang power plant
2017	Malaysia	Siemens AG Energy Solutions	1 training course "Gas turbine and operator training" for power plant personnel of Pengerang power plant
2017	Russia	Siemens AG Energy Solutions	1 training course "Basic operation training" for power plant personnel of Perm power plant

Period	Country	Client	Task
2017	Turkey	OMV Turkey	1 training course "Train the trainer" for instructors and new trainers of Samsun power plant
2017– 2016	South Africa	Mitsubishi Hitachi Power Systems Africa (pty) Ltd. (MHPSA)	4 training courses "Boiler training" for engineers, control room operators and maintenance personnel of Kusile power plant
2017– 2016	Turkey	OMV Turkey	2 training courses "Operator and maintenance training" for operators and maintenance personnel of Samsun power plant
2017– 2016	Egypt	Siemens AG Energy Solutions	26 training courses "Combined cycle power plants: fundamental training" for operation managers, operators and maintenance personnel of Beni Suef, Burullus and New Capital power plants
2016	Algeria	Siemens AG Energy Solutions	1 training course "Gas turbine power plants: fundamental training" for operators and maintenance personnel of Biskra power plant
2016	Saudi Arabia	NOMAC	1 assessment of power plant employees for Shuaibah power plant
2016	Egypt	Siemens AG Energy Solutions	1 training course "Power plant identification system (KKS)" for power plant personnel of New Capital power plant
2016	Egypt	Siemens AG Energy Solutions	2 training courses "Gas turbine training" for operators of Burullus power plant
2016	Malaysia	Siemens AG Energy Solutions	1 training course "Water steam cycle and operator training" for power plant personnel of Pengerang power plant
2016	Russia	Siemens AG Energy Solutions	1 training course "Gas turbine operation training" for power plant personnel of Verkhnetagilskaya power plant
2016	Turkey	OMV Turkey	1 assessment of operators and maintenance personnel for Samsun power plant
2015– 2014	Turkey	Enerji SA, izmit/Kocaeli	4 training courses for operating personnel of Tufanbeyli power plant

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2014– 2006	United Kingdom	RWE nPower	8 training courses "Theoretical training for shift personnel of Didcot power plant"
2014	Austria	AVE Österreich GmbH	1 seminar "Crane operator assignments and their impact on facility operation at AVE Wels"
2014	United Kingdom	MVV Umwelt O&M Mannheim, operating site Ridham Dock	1 training course "Theoretical training for operating personnel of biomass plants"
2014	Saudi Arabia	Rabigh Arabian Water and Electricity Company (RAWEC)	1 assessment of operating personnel from Rabigh Power Company (RPC)
2014	Turkey	Enerji SA, İzmit/Kocaeli	1 training course "Power plant technology for engineers of Tufanbeyli power plant"
2014	United Kingdom	MVV Umwelt O&M Mannheim, operating site Plymouth	1 training course "Theoretical training for operating personnel of thermal waste utilization plants"
2014	Estonia	ALSTOM I Power, Mannheim	2 training courses "Steam turbine control engineering"
2014	Denmark	Vattenfall A/S	1 training course "Practical knowledge power plant technology"
2014	Austria	voestalpine Stahl GmbH	3 seminars "Water chemistry for employees of voestalpine Stahl GmbH"
2014	Thailand	SCGP Excellence Training Center Co. Ltd.	1 workshop as part of the "Working group for development of a training road map"
2014	South Africa	Eskom	1 training course "Train the Trainer" for Eskom Trainers
2014	South Africa	Eskom	1 training course for new graduated engineers of Eskom power plants

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2014	South Africa	Eskom	1 prep course for new graduated engineers of Eskom power plants
2014– 2008	Austria	Wien Energie GmbH	3 training courses “BOSB training for stokers”
2013	South Africa	Eskom	1 assessment (new graduated engineers) of Eskom staff
2013	South Africa	Eskom	1 assessment (trainers) of Eskom staff
2013	Turkey	Enerji SA, izmit/Kocaeli	1 assessment of operating personnel from Tufanbeyli power plant
2013	Austria	Andritz Energy & Environment GmbH	1 seminar „Power plant identification system (KKS)”
2013	Sweden	Midroc Project Management AB	1 seminar „Introduction to the power plant identification system RDS-PP”
2013	Thailand	ABP (Amata B. Grimm Power Group)	2 assessments (operators) of operating personnel for ABP power plants in Thailand
2013	Thailand	ABP (Amata B. Grimm Power Group)	1 assessment (team leaders) of operating personnel for ABP power plants in Thailand
2013	Thailand	Gulf JP Co. Ltd.	1 assessment (operators) of operating personnel for Gulf JP power plants in Thailand
2013	Netherlands	E.ON Benelux N.V.	6 training courses “Maintenance personnel instruction”
2013– 2012	Netherlands Oman India Finland	Siemens AG	8 training courses “Work permit procedures for commissioning personnel”
2012	Thailand	Gulf JP Co. Ltd.	1 assessment (team leaders) of operating personnel for Gulf JP power plants in Thailand

Period	Country	Client	Task
2012	Kurdistan (Iraqi part)	Mass Global Investment Co.	1 screening "Proficiency check of operating personnel" of Erbil, Sulaymaniyah and Duhok power plant
2012	Albania	Energji Ashta Shpk (EVN Verbund Hydropower	1 training course "Hydro power fundamentals for operating personnel" of Ashta hydro power plant
2012– 2010	Mongolia	Energy Authority of Mongolia	4 training courses Training for Mongolian engineers: "Economic energy generation and process optimization"
2012– 2011	Netherlands	E.ON Benelux N.V.	5 training courses "Basic instruction"
2011	Turkey	RWE Turcas Güney Elektrik Üretim A.S.	1 training course "Maintenance training for maintenance personnel" of Denizli power plant
2011	Turkey	RWE Turcas Güney Elektrik Üretim A.S.	5 training courses "Modular newcomer operator training" for Denizli power plant
2011	South Africa	Hitachi Power Africa Pty. Ltd.	1 training course "Maintenance training for maintenance personnel" of Medupi power plant
2011	Bulgaria	EVN Bulgaria Toplofikatsia EAD	1 training course "Modular training for the license as unit operator" for Plovdiv power plant
2011	Bulgaria	EVN Bulgaria Toplofikatsia EAD	2 screenings "Proficiency check of operating personnel" of Plovdiv power plant
2011	Finland	Siemens AG Energy Sector Fossil Power Generation	2 training courses "PWR-Basics for commissioning personnel" of Olkiluoto 3 power plant
2011	Turkey	RWE Turcas Güney Elektrik Üretim A.S.	1 screening "Proficiency check of engineers and operating personnel" of Denizli power plant
2011	South Africa	Hitachi Power Africa Pty. Ltd.	2 training courses "Boiler training" for engineers of Medupi power plant

Period	Country	Client	Task
2011	South Africa	Hitachi Power Africa Pty. Ltd.	1 training course "Boiler training" for operators of Medupi power plant
2011	Austria	Linz Strom GmbH	3 training courses "Layout and operations of the fluidized-bed firing and flue gas treatment facility of the RHKW"
2011– 2010	South Africa	Hitachi Power Africa Pty. Ltd.	3 screenings "Proficiency check of engineers and operating personnel" from the Kendal, Matimba and Medupi power plant
2011– 2006	Austria	Fernwärme Wien GmbH	4 training courses "Layout and operations of the Spittelau und Flötzer Steig incinerating thermal plants"
2010	Japan	EBARA Environmental Germany GmbH	1 training on the job "Operating personnel training for a new kind of incineration plant for thermal conversion of substitute fuels"
2010	Hungary	Siemens AG Energy Sector Fossil Power Generation	1 training course "Power plant fundamentals"
2010	Mongolia	Energy Authority of Mongolia	1 training course Training for Mongolian engineers: "Electrical engineering"
2010	Austria	Fernwärme Wien GmbH	1 seminar "Leadership and personnel management for management personnel from Thermal Waste Utilization (TUP) Plants"
2010	Slovakia	Siemens AG Energy Sector Fossil Power Generation	1 training course "Power plant fundamental training"
2010– 2008	Syria	Siemens AG Energy Sector Fossil Power Generation	8 training courses "Maintenance training for Deir Ali power plant"
2009	United Kingdom	RWE nPower	6 training courses "Siemens-SPPA-T3000 training" for control room personnel of Didcot B power plant

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2009	Libya	S.T.E.P. Consulting GmbH	3 training courses "International technical training for engineers and technicians of seawater desalination plants for the operators and maintenance personnel for General Electricity Corporation (GECOL)"
2009	Austria	A-TEC Power Plant Systems AG	1 training course "Power plant identification system"
2009	Belgium, Netherlands, Norway	Yara Belgium S.A.	5 training courses "Upgrade training for the Yara plants operations staff in the field of steam boiler technologies"
2009	Japan	EBARA Environmental Germany GmbH	3 training courses "Operator training for a new kind of incineration plant for thermal conversion of substitute fuels"
2009	Norway	Naturkraft AS	1 training course "CCGT technology theory"
2009	Norway	Naturkraft AS	1 training course "Maintenance of expert knowledge of power plant technology"
2009	Russia	INTAMT e.V.	1 training course "Training of Russian power plant employees"
2009	Mongolia	GTZ	"Energy efficiency, economical energy generation" for mongolian engineers in cooperation with Gesellschaft für technische Zusammenarbeit (GTZ)
2009	Belgium	Baumgarte Boiler Systems GmbH	1 training course "Theoretical training for operating personnel at incinerating thermal plants"
2009	Netherlands	Essent Business Developer BV	1 training course "Power plant technology for project developer"
2008	Switzerland	Kernkraftwerk Gösgen-Däniken AG	1 basic seminar "Instruction methodology for basic and advanced vocational training"
2008	Saudi-Arabia	Siemens AG	1 training course "Mechanical maintenance" for engineers from Shuaibah power plant
2008	Algeria	Siemens AG	1 training course "International management training" for engineers from SONATRACH, SONELGAZ und Sharikat Kahraba Berroughia

Period	Country	Client	Task
2008	Austria	This course was conceived for companies operating incinerating thermal plants in Bavaria (German acronym: ATAB)	1 training course "Layout and operations of incinerating thermal plants" in cooperation with ATAB
2007	South Africa	MBPSA (Mondi Business Paper South Africa)	4 special customer-specific trainings
2007	Netherlands	Evikon b.v.	1 training course "Thermal Waste Utilization"
2007	India	PSEB (Punjab State Electricity Board)	2 training courses "Maintenance course for Indian executive engineers"
2007	Australia	Siemens AG	4 training courses "HMI-training for a coal fired power plant"
2007	Norway	Siemens AG	1 training course "Mechanical maintenance CCGP Kaarstoe"
2007	Finland	Siemens AG	2 training courses "Secondary system of Olkiluoto power plant"
2007	Azerbaijan	Siemens AG	1 training course "Theoretical training for personnel of Sumgait power plant"
2007	U.A.E. (United Arab Emirates)	Siemens AG	2 training courses "Theoretical training for personnel of Al Taweelah New B power plant"
2007	Qatar	Siemens AG	1 training course "Theoretical training for personnel of Ras Laffan B power plant"

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2007– 2005	Libya	SIDEM (Société Internationale des Dessalement)/ GECOL (General Electricity Company of Libya)	13 training courses "Training course for desalination plants" (SIDEM-GECOL Project)
2006	Ukraine	Ministry of Fuel and Energy of the Ukraine	1 training course "Theoretical and simulator training" for Ukraine engineers
2006	Egypt	Siemens AG	1 training course "Management techniques" for Kureimat power plant
2006	Norway	Naturkraft AS	4 training courses for Norwegian engineers of Naturkraft AS
2006	Bahrain	Siemens AG	1 training course "Theoretical training for personnel of Al Ezzel power plant"
2006	Vietnam	Siemens AG	1 training course "Mechanical maintenance" for the Ca Mau power plant
2006	India	PSEB (Punjab State Electricity Board)	1 training course "Advanced training program" for managers and superintendent engineers
2006	India	PSEB (Punjab State Electricity Board)	1 training course "Maintenance training program" for executive engineers
2006	Nigeria	Siemens AG	1 training course "Mechanical maintenance" for Geregu power plant
2006	Egypt	Siemens AG	1 training course "Management training" for Talkha power plant
2006– 2005	China	Siemens AG	3 training courses "Mechanical maintenance" for Shidongkou/Zhengzhou and Xiaoshan power plant"

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2006– 2003	Switzerland	NOK (Nordostschweizerische Kraftwerke AG)	4 training courses “Learning methodology for shift supervisors” NPP Beznau
2005	Libya	GECOL (General Electricity Company of Libya)	1 training course “Course for managers of steam turbine power plants”
2005	Libya	GECOL (General Electricity Company of Libya)	1 training course “Course for planning department engineers”
2005	Libya	GECOL (General Electricity Company of Libya)	2 training courses “Course for new graduated engineers of steam power plants”
2005	India	NTPC (National Thermal Power Cooperation)	1 training course “Manager course for Indian senior end executive Engineers”
2005	Libya	GECOL (General Electricity Company of Libya)	3 pre-courses for engineers of GECOL
2005	India	NTPC (National Thermal Power Cooperation)	Workshop in Roper and Vijaywada for engineers for NTPC
2005– 2004	Libya	GECOL (General Electricity Company of Libya)	4 training courses “Course for training coordinators”
2004	Mongolia	Fuel and Energy Authority	1 seminar “Environmental protection” for Mongolian power plant engineers
2004	Libya	GECOL (General Electricity Company of Libya)	1 training course “Experienced shift charge engineers course”
2004	Indonesia	Siemens AG	1 training course “Mechanical maintenance engineers course for Muara Tawar”

Period	Country	Client	Task
2004	India	VGB (Vereinigung der Großkesselbesitzer e.V)	2 VGB workshops on steam and gas turbines
2004	Libya	GECOL (General Electricity Company of Libya)	1 training course "Course for electrical maintenance engineers"
2004	Libya	GECOL (General Electricity Company of Libya)	1 training course "Course for desalination shift charge engineers"
2004	Libya	GECOL (General Electricity Company of Libya)	1 training course "Course for mechanical maintenance engineers"
2004	Libya	GECOL (General Electricity Company of Libya)	6 pre-courses for engineers and training coordinators
2004– 2003	Libya	GECOL (General Electricity Company of Libya)	2 training courses "Power generation manager course"
2004– 2003	Libya	GECOL (General Electricity Company of Libya)	2 training courses "Desalination manager course"
2004– 2003	Mongolia	Fuel and Energy Authority	3 advanced-seminars for Mongolian power plant engineers
2003	Austria	Fernwärme Wien GmbH	1 training course "Personnel management for shift supervisors of Thermal Waste Utilization Plants"
2003	Netherlands	EdeA v.o.f.	1 training course "Theoretical training electrical engineering"
2003	UAE (United Arab Emirates)	Siemens AG	1 training course "Electrical maintenance" for engineers of Shuweihat power plant

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2003	U.A.E. (United Arab Emirates)	Siemens AG	1 training course "Mechanical maintenance" for engineers of Shuweihat power plant
2003	Vietnam	Siemens AG	1 training course "Electrical maintenance" for maintenance engineers of Phu My 3 power plant
2003	Vietnam	Siemens AG	1 training course "Mechanical maintenance" for maintenance engineers of Phu My 3 power plant
2002	Poland	ENERGOWIR	1 training course "Power plant management"
2002	China	Siemens AG	1 training course "Operation management" for engineers of China State Power Corporation
2002	Taiwan	Siemens AG	1 training course "Familiarization Training" for engineers of Kua Kuang CCGT Power Plant
2002	China	Siemens AG	1 training course "Mechanical maintenance" for engineers of Waigaoqiao Power Plant
2002	China	Siemens AG	1 training course "Electrical maintenance" for engineers of Waigaoqiao Power Plant
2002	China	Siemens AG	1 training course "Maintenance management" for engineers of China Power Corporation
2002	Hungary	Siemens AG	1 training course "Mechanical maintenance" for power plant engineers of Lörinci power plant
2002	Turkey	Siemens AG	2 training courses "Maintenance" for mechanical and electrical management engineers of Iskenderung power plant
2002– 2001	Libya	Babcock Borsig Power Service GmbH	2 training courses "Advanced training course for engineers of GECOL"

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2002– 2001	Turkey	Siemens AG	3 training courses “Power plant design and operation” for engineers of Iskenderung power plant
2001	Singapore	Siemens AG	3 training courses “Maintenance” for mechanical and electrical management engineers of Pulau Seraya power plant”
2001	Singapore	Siemens AG	3 training courses “Base level course” for personnel of Pulau Seraya power plant
2001– 1999	Mongolia	EA (Energy Authority)	10 training courses “Advanced training” for trainers of EA power plants
2000	India	CDG (Carl Duisburg Gesellschaft e.V.)	1 training course “Advanced training” for Indian power plant engineers

# Simulator Training

Period	Country	Client	Task
2018	Netherlands	Enecogen V.O.F.	1 simulator training course on a CCGT-T3000 simulator
2018–2014	Netherlands	RWE NL	23 simulator training courses for shift personnel of Swentibold and Geleen power plant on a CCGT simulator
2018–2013	Belgium	T-Power	17 simulator training courses on a CCGT-T3000 simulator
2018–2013	Netherlands	Essent Energie Productie BV (RWE Group)	57 simulator training courses on a 800 MW hard coal simulator
2018–2012	Belgium	ELECTRABEL N.V.	17 simulator training courses “CCGT Power Plants” on a CCGT-T2000 simulator for Zandvliet and Knippegroen power plant
2018–2007	Belgium	ELECTRABEL N.V.	68 simulator training courses for personnel of Rodenhuize, Les Awirs, Knippegroen, Ruien, Kallo power plants and Laborelec research center on a FOKS simulator
2017	Netherlands	Engie Electrabel	7 simulator training courses for Rotterdam power plant on a 800 MW hard coal simulator
2017	South Africa	Mitsubishi Hitachi Power Systems Africa (pty) Ltd. (MHPSA)	1 simulator training course for control room operators of Kusile power plant
2017–2015	Belgium	EDF Luminus	4 simulator training courses on a CCGT-T2000 simulator
2017–2015	Netherlands	Uniper NL	21 simulator training courses “Process Engineering” at Maasvlakte power plant
2017–2001	United Kingdom	RWE nPower	43 simulator training courses for shift personnel of Didcot B power plant on a CCGT simulator
2016–2015	Belgium	EDF Luminus	10 simulator training courses for shift personnel of Seraing power plant on a CCGT-T3000 simulator

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2016– 2001	United Kingdom	Seabank Power Ltd.	31 simulator training courses for shift personnel of Seabank power plant on a CCGT simulator
2015	Turkey	Enerji SA	2 simulator training courses for personnel of Bandirma power plant on a CCGT-T3000 simulator
2015	Netherlands	E.ON Benelux N.V.	1 simulator training course "Handling of simulator environment at Maasvlakte power plant"
2015– 2014	Belgium	E.ON Generation Belgium N.V.	6 simulator training courses for Langerlo Vilvoorde NV power plant on a FOKS simulator
2014	Netherlands	Rheinmetall Defence Electronics GmbH	1 simulator training course on a 1100 MW hard coal simulator at Maasvlakte power plant
2014	India	Siemens AG	1 simulator training course for commissioning of turbines for power plant personnel of BHEL
2014	Netherlands	GDF SUEZ Energie Nederland	6 simulator training courses for Rotterdam power plant on a 800 MW hard coal simulator
2014	Belgium	Essent Energie Productie BV	1 simulator training course for Amercentrale power plant on a FOKS simulator
2014	Sultanat of Oman	Phoenix	2 simulator training courses at Sur independent power plant on a CCGT simulator
2014	Turkey	Enerji SA	4 simulator training courses on 800 MW hard coal simulator
2014	Belgium	EDF Luminus	5 simulator training courses for shift personnel of Seraing power plant on a CCGT-T2000 simulator
2014	Netherlands	E.ON Benelux N.V.	4 simulator training courses "Logistics personnel"
2014– 2013	Netherlands	E.ON Benelux N.V.	12 simulator training courses "Process Engineering 5" at Maasvlakte power plant
2014– 2013	Netherlands	E.ON Benelux N.V.	12 simulator training courses "Process Engineering 4" at Maasvlakte power plant

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2013	Norway	Naturkraft AS	3 simulator training courses on a CCGT-T3000 simulator
2013	Sultanat of Oman	Wadi Al Jizzi Power Co.	2 simulator training courses for team leaders of gas turbine power plant Wadi Al Jizzi
2013–2012	Netherlands	E.ON Benelux N.V.	12 simulator training courses “Process Engineering 3” at Maasvlakte power plant
2013–2012	Netherlands	E.ON Benelux N.V.	12 simulator training courses “Process Engineering 2” at Maasvlakte power plant
2013–2012	Netherlands	E.ON Benelux N.V.	12 simulator training courses “Process Engineering 1” at Maasvlakte power plant
2012	Belgium	E.ON Generation Belgium N.V.	2 simulator training courses for Vilvoorde power plant on a CCGT simulator
2011	United Kingdom	RWE nPower	5 simulator training courses for shift personnel of Pembroke power plant on a CCGT simulator
2011	Netherlands	E.ON Benelux N.V.	5 simulator training courses on the user interface 800xA for Maasvlakte power plant
2011	Netherlands	E.ON Benelux N.V.	3 simulator training courses on the user interface 800xA for the coal feed crew of Maasvlakte power plant
2011	Belgium	E.ON BeNeLux Langerlo Vilvoorde N.V.	1 simulator training course for Langerlo power plant on a FOKS simulator
2011	Belgium	E.ON BeNeLux Langerlo Vilvoorde N.V.	1 simulator training course for Vilvoorde power plant on a CCGT simulator
2008	Austria	Energie AG Oberösterreich	2 simulator training courses for personnel of Timelkamp power plant
2007	Italy	E.ON Italia	6 simulator training courses for operational personnel of Livorno power plant on a CCGT simulator
2007	Netherlands	Essent Project Development	1 training course (theory) 2 simulator training courses for manager
2007	Norway	Naturkraft	4 simulator training courses on a CCGT simulator

<b>Period</b>	<b>Country</b>	<b>Client</b>	<b>Task</b>
2006	Saudi Arabia	Siemens AG	1 simulator training course for personnel of Bisha gas turbine power plant
2006–2003	Libya	GECOL	7 simulator training courses on a CCGT simulator
2005	Netherlands	Electrabel	6 simulator training courses for personnel of Harculo power plant
2005	Libya	GECOL	2 simulator training courses on a FOKS simulator
2005	Croatia	HEP Plomin	4 simulator training courses for turbine and boiler operators
2005–2004	Netherlands	Electrabel	6 simulator training courses “Operating with DCS Teleperm XP, OM650” for Nijmegen power plant
2004	Iran	TAVANIR Shahid Firuzi Operation Co.	2 simulator training courses for personnel of Shahid Firuzi power plant on a CCGT simulator
2003	Austria	EVN AG	2 simulator training courses for personnel of Korneuburg power plant
2002	Malaysia	Siemens AG	1 simulator training course for power plant operators on a CCGT simulator
2002	Turkey	Siemens AG	2 simulator training courses for power plant operators of Inskenderun power plant
2002–2001	Belgium	Bayer AG	8 simulator training courses for shift personnel on a FOKS simulator
2002–2001	Libya	Babcock Borsig Power Service GmbH	2 simulator training courses for power plant operators on a FOKS simulator
2001	Singapore	Siemens AG	2 simulator training courses for shift personnel of Pulay Seraya power plant
2001	Austria	EVN AG	6 simulator training courses for power plant operators on a CCGT simulator
2001–2000	Austria	Wienstrom GmbH	6 simulator training courses for power plant operators on a CCGT simulator
